

HYDRA2B-W (v2)

Dual Articulating Spring Monitor Arm

The HYDRA2B-W (v2) Dual Articulating Spring Monitor Arm by Amer Mounts is expertly designed to support flat or curved monitors up to 35 inches. Engineered with ergonomics and durability in mind, this sleek and modern monitor arm embodies the innovative DNA of the HYDRA series. Featuring a premium mechanical spring arm, the HYDRA2B-W offers seamless adjustability, enabling you to optimize your monitor's position for improved posture and reduced strain on your neck, shoulders, and back.

Features:

- Supported Panel Size: 35" Max. Flat/Curved
- Spring Mechanism: ensures effortless and precise adjustments
- Installs from Top Side: no crawling under your desk required
- Quick-Release Plate: for simplified installation and cable management
- Two Included Mounting Options: clamp and grommet
- 3 Year Warranty
