

HyperX Origins 2 65 (B4QS3AA)

Change Your Play

Lock in and game on with the Origins 2 65, a compact gaming keyboard designed to be personalized. Featuring an easy-swap housing and hot swap switches, Origins 2 can be customized to create your own unique typing and gaming platform. Change keycaps, switches, and the housing anytime!^[1] Origins 2 65 maintains all the essential keys, removing unnecessary inputs to maintain a small footprint with high efficiency. The 65% layout takes up less space on your desk

Easily Change Up Your Style

When you want to add a new look to your desk, there's no need to buy a new board. Origins 2 uses a simple one-piece drop-in assembly with colorful frosted housings^[1] to make customization a breeze.

Personalize Your Typing Experience

With hot swap 5-pin sockets, you can change the switches and keycaps at any time; no soldering needed. Feel the feedback with tactile switches or go for clicky when you want to type out loud^[2].

Improved Typing Comfort

Origins 2 keyboards utilize an O-ring mount to provide a light bounce and deeper sound to each keystroke, a reverb-dampening, removable silicon weight, and Plate-mounted stabilizers to reduce wobble^[3].
