

**Built for hybrid work. Ready for AI-enhanced growth.**

Step into hybrid workflows with accelerated speed and a compact design crafted for on-the-go performance. The HP ProBook 4 G2i 14-inch Notebook AI PC is your passport to mobility, security, and AI-enhanced<sup>3</sup> productivity supported with reliable battery life for growing professionals who need a device that can keep up.

#### **Smart power on a big screen for a modest budget**

Intuitive, AI-enhanced multitasking<sup>[3]</sup> and reliable battery life packed into a cost-optimized, lightweight design.

#### **Highlight your work on every team project**

Make the best of the spotlight with an HDR camera and audio expertly tuned for immersive engagement—no matter where you work.

#### **HP BIOS and Wolf Security**

Fortify your most essential data with built-in, multi-layered protections from HP Wolf Security for Business.<sup>[5]</sup>

### **Featuring**

#### **HP recommends Windows 11 Pro for business**

Work anywhere without compromising on performance with Windows 11 and HP collaboration, security, and connectivity technology. Summarize and rewrite content, get relevant content recommendations, and stay organized with Microsoft Copilot. <sup>[1]</sup>

#### **Latest Intel® multi-core processor**

Configure your HP ProBook CPU for the perfect combination of power, snappy performance, and value. The latest Intel® processor handles multiple work tasks smoothly and reliably with multiple processing cores to divide up the work. <sup>[2]</sup>

#### **Fast and efficient wireless LAN**

The portability of your PC and the reliability of a fast connection determines where you can work. Get a fast and reliable connection in dense wireless environments with gigabit data rate Wi-Fi 7. <sup>[4]</sup>

#### **Browse confidently**

Help protect your PC from websites and read only Microsoft Office and PDF attachments with embedded malware, ransomware, or viruses with hardware-enforced security from HP Sure Click. <sup>[6]</sup>

#### **HP Sure Sense**

Malware is evolving rapidly beyond traditional antivirus capabilities. Protect your PC against never-before-seen attacks with HP Sure Sense, which combines behavioral analysis with advanced AI techniques to provide exceptional protection. <sup>[7]</sup>

## Specifications

<b>Operating System Software</b>	Windows 11 Pro <sup>[1]</sup>
<b>Product Color Description (fixed)</b>	Pike silver
<b>Processor Family</b>	Intel® Core™ Ultra 5 processor
<b>Processor Name</b>	Intel® Core™ Ultra 5 325 (up to 4.5 GHz with Intel® Turbo Boost Technology, 12 MB L3 cache, 8 cores, 8 threads) <sup>[6,7]</sup>
<b>Standard Memory Description 01</b>	32 GB DDR5-5600 MT/s (2 x 16 GB)
<b>Memory Slots</b>	2 SODIMM
<b>Hard Drive Description (01)</b>	512 GB PCIe® NVMe™ M.2 SSD
<b>Graphics Card Segment 01</b>	Integrated
<b>GScardseg 01 Available Card 01</b>	Intel® Graphics
<b>Display Description (metric)</b>	35.6 cm (14") diagonal, WUXGA (1920 x 1200), IPS, anti-glare, 300 nits, 62.5% sRGB
<b>Display Description</b>	14" diagonal, WUXGA (1920 x 1200), IPS, anti-glare, 300 nits, 62.5% sRGB <sup>[13,15,16,17]</sup>
<b>Audio Features</b>	Audio by Poly Studio, dual stereo speakers, dual microphones enhanced by AI noise reduction
<b>Product Dimensions (metric)</b>	31.86 x 22.43 x 1.1 cm (minimum front); 31.86 x 22.43 x 1.7 cm (minimum rear); 31.86 x 22.43 x 1.15 cm (maximum front); 31.86 x 22.43 x 1.75 cm (maximum rear) (Front height measurement is near the front edge where the chassis bottom cover taper begins. Back height measurement is near the back edge where the chassis bottom cover taper ends.)
<b>Product Dimensions (imperial)</b>	12.54 x 8.83 x 0.43 in (minimum front); 12.54 x 8.83 x 0.67 in (minimum rear); 12.54 x 8.83 x 0.45 in (maximum front); 12.54 x 8.83 x 0.69 in (maximum rear) (Front height measurement is near the front edge where the chassis bottom cover taper begins. Back height measurement is near the back edge where the chassis bottom cover taper ends.)
<b>Weight (metric)</b>	Starting at 1.39 kg (Weight will vary by configuration. Does not include power adapter.)
<b>Weight (imperial)</b>	Starting at 3.08 lb (Weight will vary by configuration. Does not include power adapter.)
<b>Keyboard</b>	Spill-resistant, backlit keyboard
<b>Pointing Device</b>	Clickpad with multi-touch gesture support
<b>Sensors</b>	HP Sure Platform; Thermal sensor; HP Tamper Lock; Hall effect sensor <sup>[12,44]</sup>
<b>Integrated Camera</b>	1080p FHD camera
<b>External I/O Ports</b>	1 HDMI 2.1; 1 stereo headphone/microphone combo jack; 1 nano security lock slot; 2 USB Type-A 5Gbps signaling rate (powered); 2 USB Type-C® 20Gbps signaling rate (USB Power Delivery, DisplayPort™ 1.4) <sup>[14]</sup> (HDMI cable sold separately.)
<b>Wireless Technologies</b>	Intel® Wi-Fi 7 BE211 (2x2) and Bluetooth® 6 wireless card, non-vPro®
<b>Power Supply Required</b>	HP 65 W USB Type-C® GaN power adapter <sup>[20]</sup>
<b>Battery Type</b>	HP Long Life 3-cell, 56 Wh Li-ion polymer
<b>Sustainability Specifications</b>	At least 25% recycled metal; Product Carbon Footprint; HP paper-based packaging is from recycled or certified sources; At least 30% post-consumer recycled plastic; At least 30% ocean-bound plastic; Low halogen; Bulk packaging available; External power supply 90% efficiency
<b>UPC Number</b>	826581029960
<b>Manufacturer Warranty</b>	1-year warranty and 90 day software limited warranty options depending on country. Batteries have a default one year limited warranty. On-site service and extended coverage is also available. HP Care Pack Services are optional extended service contracts that go beyond the standard limited warranties. To choose the right level of service for your HP product, use the HP Care Pack Services Lookup Tool at: <a href="http://www.hp.com/go/cpc">http://www.hp.com/go/cpc</a> .

## Messaging Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 11 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>. Microsoft Copilot requires Windows 11. Some features require an NPU. Timing and availability will be dependent on Microsoft and varies by market and device. Requires Microsoft account to log in. Where Copilot is not available, the Copilot key will lead to the Bing search engine. See <http://aka.ms/WindowsAIFeatures>.

[2] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

[3] Features and software that require an NPU may require software purchase, subscription or enablement by a software or platform provider, and third-party software may have specific configuration or compatibility requirements. Performance varies by use, configuration, and other factors.

[4] Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 7 (802.11BE) functionality requires compatible Windows 11 OS, compatible processor, and separately purchased Wi-Fi 7 router to support backwards compatibility with prior 802.11 specs. Available in countries where Wi-Fi 7 is supported. The specification for 802.11BE is a draft specification and is not final. If the final specification differs from the draft specification, it may affect the ability of the device to communicate with other 802.11BE devices. Wi-Fi® supporting gigabit data rate is achievable with Wi-Fi 7 (802.11BE) when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 160MHz channels.

[5] HP Wolf Security for Business requires Windows 10 and higher, includes various HP security features and is available on HP Pro, Elite, Workstation, and RPOS products. See product details for included security features and OS requirements.

[6] HP Sure Click requires Windows 10 and higher. See [https://bit.ly/2PrLT6A\\_SureClick](https://bit.ly/2PrLT6A_SureClick) for complete details.

[7] HP Sure Sense is available on select HP PCs with Windows 10 Pro, Windows 10 Enterprise, Windows 11 Pro, or Windows 11 Enterprise OS.

## Technical Specifications Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.

[6] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

[7] Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See <http://www.intel.com/technology/turboboost/> for more information.

[12] 5G module is optional. WWAN-ready configuration must be selected at purchase to add WWAN at a later date. Module designed for 5G NR NSA (non-standalone) networks as carriers deploy Evolved-Universal Terrestrial Radio Access New Radio Dual Connectivity (ENDC) with both 100MHz of 5G NR and LTE channel bandwidth, using 256QAM 4x4 as defined by 3GPP. Module requires activation and separately purchased service contract. Check with service provider for coverage and availability in your area. Data connection, upload and download speeds will vary due to network, location, environment, network conditions, and other factors. Backwards compatible to 4G LTE and 3G HSPA technologies. 5G module planned to be available in select platforms and select countries, where carrier supported.

[13] Optional feature must be configured at the time of purchase.

[14] USB 20Gbps signaling rate is not available with Thunderbolt™ 4. Actual throughput may vary.

[15] Resolutions are dependent upon monitor capability, and resolution and color depth settings.

[16] Actual brightness will be lower with touchscreen.

[17] All specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.

[20] Availability may vary by country.

[44] HP Tamper Lock can be Enabled/Disabled by customers or IT administrator with administrator authority.
