## NetShelter SX 600mm Wide x 1070mm Deep Standard Roof Black

AR7201

### Overview

|              |                                                                                                                 |
|--------------|-----------------------------------------------------------------------------------------------------------------|
| Presentation | NetShelter SX roofs feature superior cable access and flexibility with toolless installation and reversibility. |
| Lead time    | Usually in Stock                                                                                                |

### Main

|                           |                                                     |
|---------------------------|-----------------------------------------------------|
| Product or Component Type | Roof                                                |
| Provided equipment        | Grommets<br>Installation guide<br>Mounting Hardware |

### Physical

|                     |                       |
|---------------------|-----------------------|
| Color               | Black                 |
| Height              | 0.6 in (16 mm)        |
| Width               | 22.6 in (575 mm)      |
| Depth               | 35.7 in (908 mm)      |
| Net Weight          | 8.02 lb(US) (3.64 kg) |
| Mounting Location   | Front                 |
| Mounting preference | No preference         |
| Mounting Mode       | Not rack-mountable    |
| Marking             | 16 gauge roof         |

### Ordering and shipping details

|      |              |
|------|--------------|
| GTIN | 731304226499 |
|------|--------------|

### Packing Units

|                        |                        |
|------------------------|------------------------|
| Unit Type of Package 1 | PCE                    |
| Nbr. of units in pkg.  | 1                      |
| Package 1 Height       | 4.02 in (10.2 cm)      |
| Package 1 Width        | 40.0 in (101.6 cm)     |
| Package 1 Length       | 26.0 in (66 cm)        |
| Package weight(Lbs)    | 14.02 lb(US) (6.36 kg) |

### Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 24 |
|----------------------|----|

### Environmental footprint

|                                                        |                |
|--------------------------------------------------------|----------------|
| Total lifecycle Carbon footprint                       | 22 kg CO2 eq.  |
| Carbon footprint of the manufacturing phase [A1 to A3] | 21 kg CO2 eq.  |
| Carbon footprint of the distribution phase [A4]        | 0.5 kg CO2 eq. |
| Carbon footprint of the installation phase [A5]        | 0 kg CO2 eq.   |
| Carbon footprint of the use phase [B2, B3, B4, B6]     | 0 kg CO2 eq.   |
| Carbon footprint of the end-of-life phase [C1 to C4]   | 0.5 kg CO2 eq. |

## Use Better

### Materials and Substances

|                                        |    |
|----------------------------------------|----|
| Packaging made with recycled cardboard | No |
| Packaging without single use plastic   | No |

## Use Longer

### Lifetime extension

|        |    |
|--------|----|
| Repair | No |
|--------|----|

## Use Again

### Repack and remanufacture

|                               |                                                                                                                                                                                                                  |
|-------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Recyclability potential, in % | 95                                                                                                                                                                                                               |
| Take-back                     | No                                                                                                                                                                                                               |
| WEEE Label                    |  The product must be disposed on European Union markets following specific waste collection and never end up in rubbish bins. |
