LIMITED WARRANTY

ADESSO provides one year limited warranty for the quality of all its products in materials and workmanship.

During this period, ADESSO will repair or replace all merchandise, which proved to be defective. However, ADESSO will not warranty any product which has been subjected to improper freight Handling, shipping abuse, neglect or unauthorized repair or installation. The warranty also will not cover products installed with Non-ADESSO components and product with broken sealed and assembly trace. After replacement of RMA, ADESSO reserves the right to request the total cost of the replacement products with broken seals or assembly trace.

If you discover a defect, Adesso will, at its option, repair or replace the product at no charge to you, provided you return it during the warranty period with transportation charges pre-paid to Adesso. You must contact Adesso at support@adesso.com for a Return Merchandise Authorization number (RMA) prior to returning any product. For each product returned for warranty service, please include your name, shipping address (no P.O. Box), telephone number, copy of the bill of sale as proof of purchase and have the package clearly marked with your RMA number.

INTRODUCTION

The Adesso Win-Touch Pro Keyboard with built-in touchpad is supported by Glidepoint Technology. The touchpads have mouse-like features, right click options and are enabled when tapped by your finger at the upper right corner. This makes your PC easier to control. Sound, speed, sensitivity and orientation settings can be customized using your Glidepoint driver software. The advantage of this keyboard is the silent tactile keys and a molded wrist rest area that supports your palm while typing. This keyboard features nine hotkeys that offer quick access to where you need to be or to listen to what you want at the touch of a button.
