Introduction

The Mechanical Gaming Keyboard With 7 Color LED Backlit provides tactile response and audible click for the ultimate gaming experience.

Key Features and Benefits

- 7 color LED backlighting and 9 different illuminated modes give you an immersive lighting effect. The modes can be easily switched by pressing FN+INS.
- 12 Multimedia hotkeys provide easy access to calculator, media, volume control and windows key lock.
- N-key-rollover feature so that each key-press is detected individually. Allows multiple keys to work simultaneously, great for gamers.
• Wrist rest and foldable posts provide a comfortable position to prevent fatigue after long periods of use
• Solid construction with aluminum faceplate makes it extra durable

Technical Support and Warranty

QUESTIONS? SIIG’s Online Support has answers! Simply visit our website at www.siig.com and click Support. Our online support database is updated daily with new drivers and solutions. Answers to your questions could be just a few clicks away. You can also submit questions online and a technical support analyst will promptly respond.

SIIG offers a 3-year manufacturer warranty with this product. This warranty covers the original purchaser and guarantees the product to be free of any defects in materials or workmanship for three (3) years from the date of purchase of the product. This warranty is not transferable and is available only to the original purchaser of the product.

SIIG will, at our discretion, repair or replace (with an identical product or product having similar features and functionality) the product if defective in materials or workmanship. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Please see our website for more warranty details.

If you encounter any problems with this product, please follow the procedures below.

A) If it is within the store’s return policy period, please return the product to the store where you purchased from.

B) If your purchase has passed the store’s return policy period, please follow the steps below to have the product repaired or replaced.

Step 1: Submit your RMA request.
Go to www.siig.com, click Support, then REQUEST A PRODUCT REPLACEMENT to submit a request to SIIG RMA or fax a request to 510-657-9862. Your RMA request will be processed, if the product is determined to be defective, an RMA number will be issued.

Step 2: After obtaining an RMA number, ship the product.
• Properly pack the product for shipping. All accessories that came with the original package must be included
• Include a copy of your original sales receipt inside the package with date of purchase and place of purchase circled and clearly visible
• Clearly write your RMA number on the top of the returned package. SIIG will refuse to accept any shipping package, and will not be responsible for a product returned without an RMA number posted on the outside of the shipping carton
• You are responsible for the cost of shipping to SIIG. Ship the product to the following address:
  SIIG, Inc.
  6078 Stewart Avenue
  Fremont, CA 94538-3152, USA
  RMA #: __________
• SIIG will ship the repaired or replaced product via Ground in the U.S. and International Economy outside of the U.S. at no cost to the customer.
About SIIG, Inc.

Founded in 1985, SIIG, Inc. is a leading manufacturer of IT connectivity solutions (including Serial ATA and Ultra ATA Controllers, FireWire, USB, and legacy I/O adapters) that bridge the connection between Desktop/Notebook systems and external peripherals. SIIG continues to grow by adding A/V and Digital Signage connectivity solutions to our extensive portfolio. SIIG products offer comprehensive user manuals, many user-friendly features, and are backed by an extensive manufacturer warranty. High quality control standards are evident by the overall ease of installation and compatibility of our products, as well as one of the lowest defective return rates in the industry. SIIG products can be found in computer retail stores, mail order catalogs, through major distributors, system integrators, VARs and through e-commerce sites.
