

Read the entire instruction manual before you start installation and assembly. If you have any question regarding any of the instructions or warnings, please contact us.

Unpacking

- Carefully remove the contents and lay them out on cardboard or other protective surface
- Check package contents against the parts list to ensure that all components are received undamaged. Do not use damaged or defective parts
- Ensure that you have received all parts according to the component checklist prior to installation. If any parts are missing or faulty, please contact us.

CAUTION:

Using the products heavier than the indicated weights as rated may result in instability and possible injury.

- Stand must be attached as specified in assembly instructions. Improper installation may result in damage or serious personal injury.
- This product contains small items that could be a choking hazard if swallowed. Keep these items away from children.
- This product is intended for indoor use only. Using this product outdoors could lead to product failure and personal injury.

MAINTENANCE

Check that the Stand is secure and safe to use at regular intervals (at least every three months)
