

Dual Security Kiosk Stand with Locking Case and Cable for iPad Pro 11" PAD-ASK11B

Package contents (assembled)

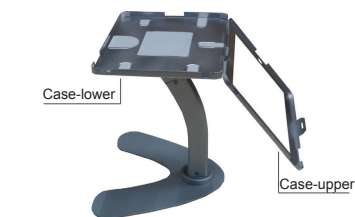

Using anti-theft cable:

1. Attach cable to slot at base of stand or on back of case.
2. Attach opposite end to any permanent fixture using loop.

Using the stand:

Open the case with the stand on a flat surface.

Place your iPad in the tray.

Close the case door and turn the key clockwise to lock.

Cable management system

Slide protectors over the cable.

Pull cable through tube.

Align protectors so opening is perpendicular to slot openings on tube.

Optional accessories

Stick adhesive pads to bottom of stand base for scratch protection and temporary mounting.
