MOUNTING INSTRUCTIONS

1. Remove the four rubber feet from the USG.
2. Remove two bolts (situated on the back side of the appliance) from the bottom of the USG.
3. Place your USG on the rack, & fix it with the two original bolts.
4. Place the power supply on the rack and fix it with two zip ties.
5. Plug in the power cord and secure the cable with another zip tie on the rack (detail 1).
6. Tie the excess length of the power cord down with the fourth zip tie.
7. Place the Unifi Cloud Key Gen2+ on the rack and fix it with the provided bolts on both sides of the appliance.
8. Connect the cable from the Unifi Cloud Key Gen2+ to the connector.
9. Place your UB-Rack in your 19 inch rack.

Please ensure proper ventilation according to the network appliance manufacturer guidelines.
