	View Microsoft Teams missed calls and voicemails	Press the Call button* (when signed into Microsoft Teams)
	Raise/lower hand during a Microsoft Teams meeting	Press and hold (1 sec) the Call button* (during a Microsoft Teams meeting)

*requires Microsoft Teams headset variant

Play/pause music

Press the **Play/pause** button when listening to music

Mute/unmute microphone

Press the **Play/pause** button when on a call

Adjust volume

Press the **Volume up** or **Volume down** button, when listening to music or on a call

Next track

Press and hold (1 sec) the **Volume up** button

Restart track or previous track

Press and hold (1 sec) the **Volume down** button to restart the current track

Press and hold twice to play the previous track

Busylight on/off

Press the **Volume up** and **Volume down** buttons at the same time

ANC on/off

Press the **ANC** button

6.2 Busylight(s)

To indicate to colleagues that you are busy, the Busylight(s) on the headset automatically light up red when you are on a call. To manually switch the Busylight(s) on/off, press the **Volume up** and **Volume down** buttons at the same time.

6.3 Mute/unmute using the microphone boom-arm

The headset microphone can be muted by moving the microphone boom-arm up, or unmuted by moving it down. This feature is on by default, and can be disabled using Jabra Direct on your computer.

6.4 Answer call using the microphone boom-arm

An incoming call can be answered by moving the microphone boom-arm down, close to your mouth. This feature is on by default, and can be disabled using Jabra Direct on your computer.

6.5 Multiuse

The headset can be paired with up to 8 Bluetooth devices, and connected to one Bluetooth device. The headset can accept multiple incoming calls from either device.

6.6 Multiple call handling

The headset can accept and handle multiple calls at the same time.

Right	Multiple call handling	
	End current call and answer incoming call	Press the Call button
	Put current call on hold and answer incoming call	Hold (2 secs) the Call button*
	Switch between held call and active call	Hold (2 secs) the Call button*
	Reject incoming call, when on a call	Double-press the Call button

*UC headset variants only

6.7 Voice guidance

Voice guidance are announcements that will guide you through set up, or will give you headphone status updates (e.g. connection and battery status).

Voice guidance is enabled by default.

Right	Voice guidance
	<p>Turn voice guidance on/off</p> <p>Press and hold (5 sec) the ANC button and the Volume up button until you hear an announcement in the headset</p>

Alternatively, use Jabra Direct on your computer, to turn Voice guidance on or off.

For the latest list of supported languages, refer to Jabra Direct on your computer.

6.8 Sidetone

Sidetone enables you to better hear your own voice when you are on a call.

Sidetone settings can be configured using Jabra Direct on your computer.

6.9 Factory reset

Resetting the headset clears the list of paired devices and resets all settings.

Right

Reset headset

Reset pairing list and settings

Ensure the headset is powered on and you are not on a call. Then press and hold (3 sec) the **Call** button and the **Volume up** button simultaneously until the LED lights up pink and you hear an announcement in the headset

7. Software and firmware

7.1 Jabra Direct

Jabra Direct is a desktop application designed to support, update and manage Jabra devices to ensure their optimal performance.

Download the latest free version from jabra.com/direct

7.2 Update firmware

Firmware updates improve performance or add new functionality to Jabra devices. Jabra Direct will notify you when firmware is updating, or when a firmware update is available. Connect the Evolve2 50 to a computer using the USB cable.

8. Support

8.1 FAQ

View the Jabra Evolve2 50 FAQ, certifications, and technical specifications at jabra.com/support

8.2 How to care for your headset

- Always store the headset in the supplied case.
- To prevent the depletion of the battery lifetime or capacity, avoid storing the headset in hot or cold environments, such as a closed car in summer, or in winter conditions.
- It is recommended to keep the headset between -10°C and 50°C (14°F and 122°F).

8.3 How to clean your Jabra device

Keep your product clean by following these best practices for hygiene.

1. Apply normal dish soap and water to a cloth, making sure you wring out excess liquid so the cloth is not dripping wet. Use soap and water only – do not use strong cleaning agents.
2. Gently wipe the product, making sure there is not a layer of suds on the surface.
3. Let it rest for at least one minute.
4. Rinse the surface by wiping it with a slightly damp cloth using water only.
5. Let it dry.
6. When the product is not in use, keep it clean by avoiding contact with dirty surfaces and storing it in the carry pouch.
