Rugged Keyboard Quick Start Guide
Compatibility:
iPad 10th 10.9 inch 2022 (A2696/A2757/A2777)

Preassembly:
Before installation, ensure all packaging is removed from the iPad and the Rugged Keyboard.

At this time, adhere any asset tags or identification cards to the back of the iPad

1. **IMPORTANT!** Unplug the USB-C connector from the iPad case ensuring it does not obstruct the iPad installation.
2. Ensure the USB-C cable is securely seated inside its channel in the case before inserting ipad.

Installation:
3. Starting with the bottom right corner, firmly press the iPad into the case.
4. Firmly press the top of the iPad into the case. Ensure all four corners are securely holding the iPad.
5. With the iPad correctly installed, insert the USB-C connector back into the case opening. The connector will align and plug into the iPad's USB-C port
6. To check that the keyboard is properly connected, the iPad will display the USB connection symbol in the top right corner of the display.

*USB-C cable is black

iPad Removal:
1. **IMPORTANT!** Unplug the USB-C connector from the iPad and case. If the connector is not fully unplugged, it could cause damage to the iPad and or USB-C cable.
2. Starting the top left corner, firmly press the case back and away from the iPad.
3. Release the bottom edge and any remaining corners.
4. The iPad will easily remove once all corners are released.

Charging the iPad:
1. Insert the USB-C charging cord (not included) into a power source. Connect the opposite end into the USB-C port on the right side of the keyboard. Charging level can be monitored from the iPad screen.,
Safety/Caution:
DO NOT SPRAY CLEANER DIRECTLY ON CASE OR KEYBOARD - Spray cleaning liquid onto a cloth and wipe. Microfiber cloths can be used effectively with just water, however non-toxic or chemical cleansers that do not contain bleach can be used. Ensure the case is completely dry before storing.

Keep the keyboard away from sharp objects
Do not place heavy objects on the keyboard
Keep away from microwave items
Do not force or distort the keyboard
Keep away from oil, chemical, or other liquid items.

DO NOT ATTEMPT TO DISASSEMBLE - For service by a trained technician, please reach out to customer support team: info@brenthavenhq.com
