

Integrated USB 3.0 Hub Desk Mount with Universal Security Enclosure

PAD-QRUSBKB

INSTRUCTION - MANUAL

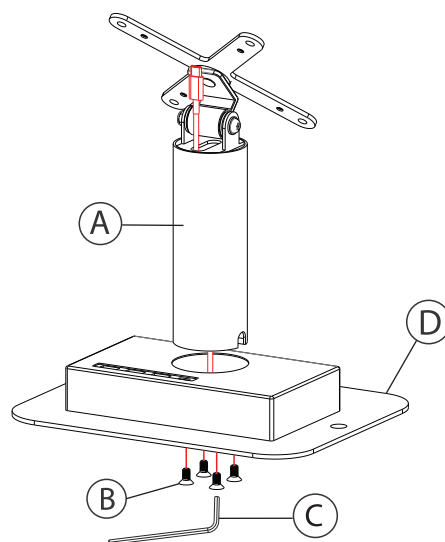

CONTENTS:

INSTALLATION:

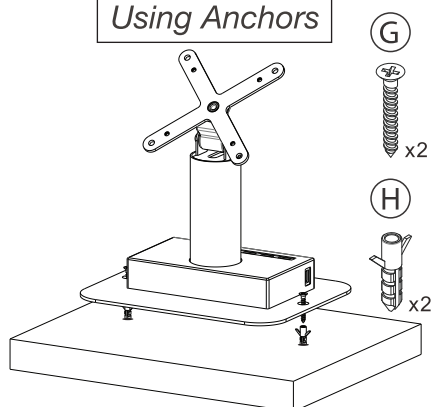

1 Setting Up Base to Body

1A : Take the already attached cord, and fish it through the bottom into the body center and out the top as shown in red. Then, align the base center hole to the bottom of the body hole. Make sure the screw holes are aligned. Then using (4) screws (B), rotate them in from below as illustrated using provided tool (C) until securely fastened.

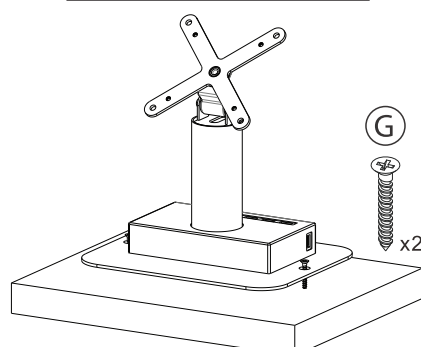

2 Mounting into Surface (Optional)

Using Anchors

2A: When mounting into surface using anchors - first mark off the holes with a pencil (not included) and pre-drill holes using the proper tools (not included). Insert the anchors. Align kiosk base with holes and rotate in screws (G) using a screw driver tool (not included) until securely fastened.

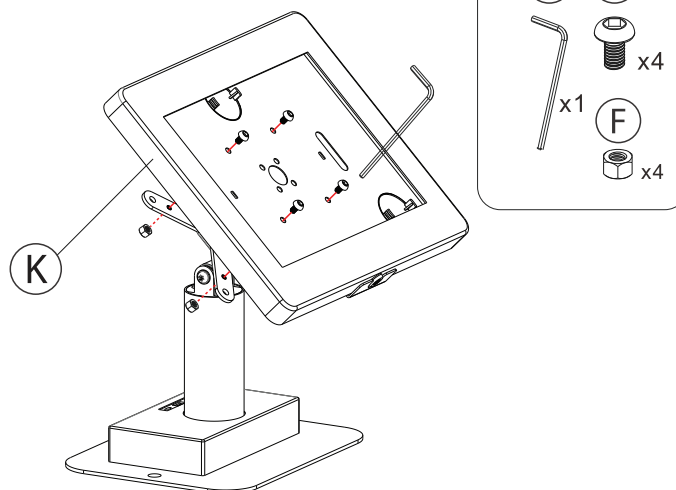

Not Using Anchors

2B: When mounting into surface using just screws, rotate in screws (G) from above using a screwdriver tool (not included) until securely fastened.

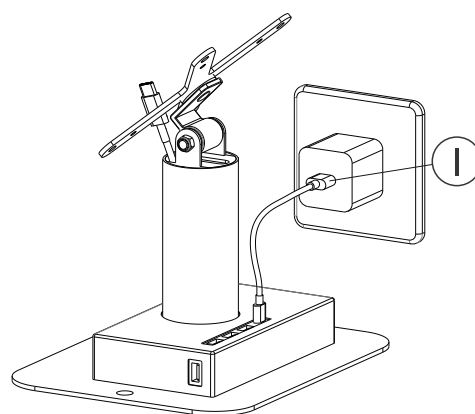

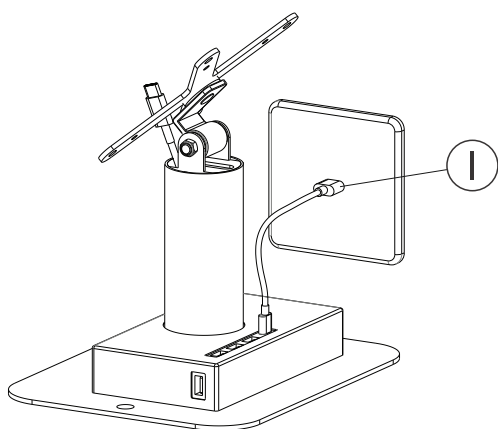

3 Mounting Enclosure to VESA Plate

3A : Align mounting holes of VESA plate of kiosk (A) with the VESA holes of the enclosure (K). Rotate in screws (E) from above using provided tool (C) while holding the hex nuts (F) from behind with your hand as illustrated until securely fastened.

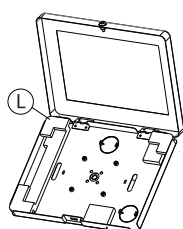

4 Setting Up Charging Cables

4A: Identify the charging hub at the base. Make sure to use the charging cable (I) and plug into a charging source in order for your tablet to charge properly. It can be plugged in directly via the Type-C charging port or with an AC-adaptor (not included). The cable at the top of the kiosk needs to be securely inserted into your device for the charging process to start.

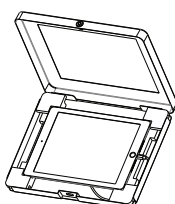

****AC ADAPTER FOR ILLUSTRATION PURPOSES AND NOT INCLUDED**

5 Setting Up Device & Enclosure

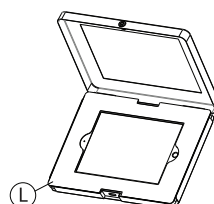

Insert the appropriate foam set (L) that is compatible with your tablet.

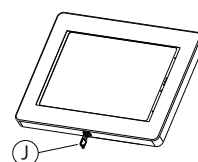

Insert tablet as shown. Plug in power cable to tablet and cable route through the back.

****Tablet shown for illustration and NOT INCLUDED.**

Place the appropriate provided tablet cover (L) if needed (optional) to match your tablet.

Close the enclosure and lock it with the included set of keys (J).
