## Post-it® Flex Write Surface

Permanent and dry erase markers wipe away with water, no chemicals needed (cloth and water bottle included, except for FWS50x4 size). Sticks securely to stay up on smooth surfaces like painted drywall, finished wood, glass, painted steel, whiteboards and chalkboards. Removes cleanly when you are ready to remove. Designed for one-time wall application for long term use. Safe to use the common disinfectant sprays.\*

\*For best Flex Write performance follow the disinfecting agent manufacturers' guidelines. Test on a small corner patch, and wipe down Flex Write Surface with potable water and a clean microfiber cloth prior to each use.
