## Taxes can be tough, but so is Smead

Smead TUFF® filing solutions include file wallets, file pockets, and expanding files with added reinforcement at critical wear points, making them virtually indestructible.

### **TUFF® Redrope File Wallets**

Easily organize files  
on the go or on a shelf

### **TUFF® Redrope File Pockets**

Retrieve groups of files and  
bulky documents effortlessly

### **TUFF® Redrope Expanding Files**

Efficiently transport and  
store sorted documents

## Stay in the pocket, file pocket that is

Smead pockets accommodate a wide range of document volume and organizational needs, making them the perfect companions for the daily grind.

### **EASY GRIP® Redrope File Pockets**

Easily retrieve from drawers or  
shelves with a non-slip grip

### **Manila End Tab File Pockets**

Seamlessly integrates  
into any shelf filing system

### **Assorted Poly File Pockets**

Poly material is tear and  
water-resistant

## Find Forms & Files Fast

Time is of the essence, especially during tax season. SuperTab® products offer a 90% larger tab enabling quick identification and retrieval of documents, files, and client information.

### **SUPERTAB® File Folders**

Take advantage of the spacious SuperTab® labeling area and keep file details at the ready, right on the tab

### **SUPERTAB® Poly File Folders**

Protect your documents with a water and tear-resistant SuperTab® option, with easy-to-spot high-impact colorways

### **SUPERTAB® Fastener File Folders**

Keep important paperwork in-order and quickly accessible on the front or back panels with built-in metal fasteners

## Specific Solutions for Specific Needs

For mortgage-related matters, specialty pressboard mortgage filing solutions are available with convenient preprinted labels and checklists to keep you on track.

### **Pressboard Mortgage Folders**

Organize mortgage paperwork between preprinted built-in dividers that enable quick access to client information and a document checklist

### **Pressboard Mortgage Dividers**

Add individual preprinted dividers as needed to existing bulky mortgage files for increased organization

## Practical Portability for Preparers

Smead file jackets and two-pocket folders are excellent solutions for keeping documents organized and protected in storage, in use, or in transit.

### Poly Project File Jackets

Enclosed document protection with content visibility

### Two-Pocket Poly Folders

Protect projects and presentations in the office or on the go

### Slash-Style File Jackets

Effortless color organization and protection, ensuring easy access to frequently used documents

## Taxation with Categorization

Smead Cascading Wall Organizers are the ultimate tool for categorizing paperwork in a highly accessible way. The collapsible construction and elastic closure enable easy transport, storage, and retrieval, all while keeping interior documents secure and organized.
