### 4. First Aid Measures

First aid procedures	
Eye contact	Do not rub eyes. Immediately flush with large amounts of clean, warm water (low pressure) for at least 15 minutes or until particles are removed. If irritation persists, consult a physician.
Skin contact	Wash affected areas thoroughly with mild soap and water. Get medical attention if irritation develops or persists.
Inhalation	Move person to fresh air immediately. If irritation persists, consult a physician.

Ingestion	Rinse mouth out with water. Drink one to two glasses of water. If symptoms occur, consult a
	physician.

	physician.			
5. Fire Fighting Measures				
Flash point	Not applicable			
Flammable properties	Like most organic material in powder form, toner can form explosive dust-air mixtures when finely dispersed in air.			
Extinguishing media Suitable extinguishing media	CO2, water, or dry chemical			
Unsuitable extinguishing media	None known.			
Fire fighting equipment/instructions	If fire occurs in the printer, treat as an electrical fire.			
Specific methods	None established.			
Explosion data Sensitivity to static discharge	Not available.			
Sensitivity to mechanical impact	Not available.			
Hazardous combustion products	Carbon monoxide and carbon dioxide.			
6. Accidental Release Mea	asures			
Personal precautions	Minimize dust generation and accumulation.			
Environmental precautions	Do not flush into surface water or sanitary sewer system. See also section 13 Disposal considerations.			
Methods for cleaning up	Not available.			
Other information	Slowly vacuum or sweep the material into a bag or other sealed container. Clean remainder with damp cloth or vacuum cleaner. If a vacuum is used, the motor must be rated as dust explosion-proof. Fine powder can form explosive dust-air mixtures. Dispose of in compliance with federal, state, and local regulations.			
7. Handling and Storage				
Handling	Keep out of the reach of children. Avoid inhalation of dust and contact with skin and eyes. Use wi adequate ventilation. Keep away from excessive heat, sparks, and open flames.			
Storage	Keep out of the reach of children. Keep tightly closed and dry. Store at room temperature. Store away from strong oxidizers.
