

# SAFETY DATA SHEET

Issuing Date: 30-May-2025

Revision date 25-Sep-2025

Revision Number 1.01

## 1. IDENTIFICATION

**Product Name** Febreze Air Affects Linen & Sky  
**Product Identifier** 21299521\_RET\_NG  
**Product Type:** Finished Product - Retail  
**Recommended use** Air freshener.  
**Synonyms** FOP: C-21299521-001

### **Manufacturer**

PROCTER & GAMBLE - Fabric and Home Care Division  
Ivorydale Technical Centre  
5299 Spring Grove Avenue  
Cincinnati, Ohio 45217-1087 USA

Procter & Gamble Inc.O. Box 355, Station A  
Toronto, ON M5W 1C5  
1-800-331-3774

**E-mail Address** pgsds.im@pg.com

**Emergency Telephone** Transportation (24 HR)  
CHEMTREC - 1-800-424-9300  
(U.S./ Canada) or 1-703-527-3887  
Mexico toll free in country: 800-681-9531

## 2. HAZARD IDENTIFICATION

"Consumer Products", as defined by the US Consumer Product Safety Act and which are used as intended (typical consumer duration and frequency), are exempt from the OSHA Hazard Communication Standard (29 CFR 1910.1200). This SDS is being provided as a courtesy to help assist in the safe handling and proper use of the product. For consumer use in households, follow precautionary and first aid instructions on product label.

This product is classified under 29CFR 1910.1200(d) and the Canadian Hazardous Products Regulation as follows:.

**Gases under pressure GHS** Compressed gas

**Physical Hazard Category Number**

**Signal word** Warning

**Physical hazards** Contains gas under pressure; may explode if heated

**Hazard pictograms**

**Precautionary Statements**

Pressurized container: Do not pierce or burn, even after use  
Keep away from heat/sparks/open flames/hot surfaces. — No smoking  
Do not spray on an open flame or other ignition source  
P410 + P403 - Protect from sunlight. Store in a well-ventilated place  
P102 - Keep out of reach of children

**Precautionary Statements - Storage** Protect from sunlight. Store in a well-ventilated place

**3. COMPOSITION/INFORMATION ON INGREDIENTS**

Ingredients are listed according to 29CFR 1910.1200 Appendix D and the Canadian Hazardous Products Regulation

| Chemical name | Synonyms                                | Trade secret | CAS No. | Weight-% |
|---------------|-----------------------------------------|--------------|---------|----------|
| Alcohol       | Ethanol (Denaturants Listed Separately) | -            | 64-17-5 | 1 - 5    |

**Additional information**

Actual substance concentrations fall within the ranges stated. Maximum values do not necessarily represent the values present in the formula.

**4. FIRST AID MEASURES**Description of first aid measures**Eye contact**

Rinse with plenty of water. Get medical attention immediately if irritation persists.

**Skin contact**

Rinse with plenty of water. Call a physician if irritation develops and persists.

**Ingestion**

Drink 1 or 2 glasses of water. Do NOT induce vomiting. Get medical attention immediately if symptoms occur.

**Inhalation**

Move to fresh air. If symptoms persist, call a physician.

Indication of any immediate medical attention and special treatment needed**Notes to Physician**

Treat symptomatically.

**5. FIRE-FIGHTING MEASURES****Suitable extinguishing media**

Dry chemical, CO2, alcohol-resistant foam or water spray. Dry chemical. Alcohol resistant foam.

**Unsuitable Extinguishing Media**

None.

**Special Hazard**

Containers may explode when heated.

**Special protective equipment for fire-fighters**

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

**Special Provisions**

None.

**6. ACCIDENTAL RELEASE MEASURES**Personal precautions, protective equipment and emergency procedures**Personal precautions**

Use personal protective equipment as required. Do not get in eyes, on skin, or on clothing.

Avoid breathing vapors or mists.

**Advice for emergency responders** Use personal protective equipment as required.

**Environmental precautions** Keep out of waterways  
Do not discharge product into natural waters without pre-treatment or adequate dilution

#### **Methods and material for containment and cleaning up**

**Methods for containment** Absorb with earth, sand or other non-combustible material and transfer to containers for later disposal. Prevent product from entering drains. Prevent further leakage or spillage if safe to do so. Ventilate the area.

**Methods for cleaning up** Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations (see section 13). Do not puncture or incinerate cans. If liquid has been spilt in large quantities clean up promptly by scoop or vacuum. ELIMINATE all ignition sources (no smoking, flares, sparks or flames in immediate area).

### **7. HANDLING AND STORAGE**

#### **Precautions for safe handling**

**Advice on safe handling** Use personal protective equipment as required. Keep container closed when not in use. Never return spills in original containers for re-use. Keep out of the reach of children.

#### **Conditions for safe storage, including any incompatibilities**

**Storage Conditions** Keep containers tightly closed in a dry, cool and well-ventilated place.

**Incompatible products** None known.

**NFPA Aerosol Classification Level** 1

### **8. EXPOSURE CONTROLS/PERSONAL PROTECTION**

#### **Control Parameters**

#### **Exposure Guidelines**

| Chemical name | CAS No. | ACGIH TLV      | OSHA PEL                                                                                                         | Mexico                   |
|---------------|---------|----------------|------------------------------------------------------------------------------------------------------------------|--------------------------|
| Alcohol       | 64-17-5 | STEL: 1000 ppm | TWA: 1000 ppm<br>TWA: 1900 mg/m <sup>3</sup><br>(vacated) TWA: 1000 ppm<br>(vacated) TWA: 1900 mg/m <sup>3</sup> | STEL (VLE-CT): 1000 ppm; |

| Chemical name | CAS No. | Alberta                                      | Quebec         | Ontario TWAEV  | British Columbia |
|---------------|---------|----------------------------------------------|----------------|----------------|------------------|
| Alcohol       | 64-17-5 | TWA: 1000 ppm<br>TWA: 1880 mg/m <sup>3</sup> | STEL: 1000 ppm | STEL: 1000 ppm | STEL: 1000 ppm   |

No relevant exposure guidelines for other ingredients

#### **Appropriate engineering controls**

**Engineering Measures** **Distribution and Workplace settings:**  
Ensure adequate ventilation

**Product Manufacturing Plant (needed at Product-Producing Plant ONLY):**  
Where reasonably practicable this should be achieved by the use of local exhaust ventilation and good general extraction

#### **Personal protective equipment**

**Eye Protection**

**Distribution and Workplace settings:**  
No special protective equipment required

**Product Manufacturing Plant (needed at Product-Producing Plant ONLY):**  
Use appropriate eye protection

**Hand Protection**

**Distribution and Workplace settings:**  
No special protective equipment required

**Product Manufacturing Plant (needed at Product-Producing Plant ONLY):**  
Protective gloves

**Skin and Body Protection**

**Distribution and Workplace settings:**  
No special protective equipment required

**Product Manufacturing Plant (needed at Product-Producing Plant ONLY):**  
Wear suitable protective clothing

**Respiratory Protection**

**Distribution and Workplace settings:**  
No special protective equipment required

**Product Manufacturing Plant (needed at Product-Producing Plant ONLY):**  
In case of inadequate ventilation wear respiratory protection

## 9. PHYSICAL AND CHEMICAL PROPERTIES

### Information on basic physical and chemical properties

|                |                              |
|----------------|------------------------------|
| Physical state | Aerosol                      |
| Appearance     | clear                        |
| Color          | colorless To slightly yellow |
| Odor           | Perfumes                     |
| Odor threshold | Not applicable               |

| <u>Property</u>                              | <u>Values</u>        | <u>Remarks • Method</u> |
|----------------------------------------------|----------------------|-------------------------|
| Melting point / freezing point               | No Data Available    |                         |
| Initial boiling point and boiling range      | 83 - 113 °C / 235 °F |                         |
| Flammability                                 | No Data Available    |                         |
| Upper/lower flammability or explosive limits |                      |                         |
| Upper flammability or explosive limits       | No data available    |                         |
| Lower flammability or explosive limits       | No data available    |                         |
| Flash point                                  | 50 °C / 122 °F       | Closed cup              |
| Evaporation rate                             | No Data Available    |                         |
| Autoignition temperature                     | No data available    |                         |
| Decomposition temperature                    | No Data Available    |                         |
| pH                                           | 4.0                  |                         |
| Viscosity                                    |                      |                         |
| Kinematic viscosity                          | No Data Available    |                         |
| Dynamic viscosity                            | No Data Available    |                         |
| Water solubility                             | No Data Available    |                         |
| Solubility(ies)                              | No data available    |                         |
| Partition Coefficient (n-octanol/water)      | No Data Available    |                         |
| Vapor pressure                               | No Data Available    |                         |
| Density and/or relative density              |                      |                         |
| Relative density                             | No Data Available    |                         |

|                            |                   |
|----------------------------|-------------------|
| Liquid Density             | No Data Available |
| Bulk density               | No Data Available |
| Relative vapor density     | No data available |
| Particle characteristics   |                   |
| Particle Size              | No Data Available |
| Particle Size Distribution | No Data Available |

**9.2. Other information**

**VOC Content (%)** Products comply with US state and federal regulations for VOC content in consumer products.

*9.2.1. Information with regard to physical hazard classes*

No information available

*9.2.2. Other safety characteristics*

No information available

## 10. STABILITY AND REACTIVITY

|                                         |                                          |
|-----------------------------------------|------------------------------------------|
| <b>Reactivity</b>                       | None under normal use conditions.        |
| <b>Stability</b>                        | Stable under normal conditions.          |
| <b>Hazardous polymerization</b>         | Hazardous polymerization does not occur. |
| <b>Hazardous Reactions</b>              | None under normal processing.            |
| <b>Conditions to Avoid</b>              | None under normal processing.            |
| <b>Incompatible Materials</b>           | None in particular.                      |
| <b>Hazardous decomposition products</b> | None under normal use conditions.        |

## 11. TOXICOLOGICAL INFORMATION

**Product Information**

Information on likely routes of exposure

|                     |                                                                                                 |
|---------------------|-------------------------------------------------------------------------------------------------|
| <b>Inhalation</b>   | Intentional misuse by deliberately concentrating and inhaling contents may be harmful or fatal. |
| <b>Skin contact</b> | No known effect.                                                                                |
| <b>Ingestion</b>    | No known effect.                                                                                |
| <b>Eye contact</b>  | No known effect.                                                                                |

**Delayed and immediate effects as well as chronic effects from short and long-term exposure**

|                                          |                  |
|------------------------------------------|------------------|
| <b>Acute toxicity</b>                    | No known effect. |
| <b>Skin corrosion/irritation</b>         | No known effect. |
| <b>Serious eye damage/eye irritation</b> | No known effect. |
| <b>Skin sensitization</b>                | No known effect. |
| <b>Respiratory sensitization</b>         | No known effect. |
| <b>Germ cell mutagenicity</b>            | No known effect. |
| <b>Reproductive toxicity</b>             | No known effect. |
| <b>Developmental toxicity</b>            | No known effect. |
| <b>STOT - single exposure</b>            | No known effect. |
| <b>STOT - repeated exposure</b>          | No known effect. |
| <b>Aspiration hazard</b>                 | No known effect. |
| <b>Carcinogenicity</b>                   | No known effect. |

**Component Information**

| Chemical name | CAS No. | Oral LD50             | Dermal LD50 | Inhalation LC50           |
|---------------|---------|-----------------------|-------------|---------------------------|

## 12. ECOLOGICAL INFORMATION

### ecotoxicity

The product is not expected to be hazardous to the environment.

|                                      |                           |
|--------------------------------------|---------------------------|
| <b>Persistence and degradability</b> | No information available. |
| <b>Bioaccumulative potential</b>     | No information available. |
| <b>Mobility</b>                      | No information available. |
| <b>Other adverse effects</b>         | No information available. |

## 13. DISPOSAL CONSIDERATIONS

### Disposal methods

|                                                                 |                                                                                                                                                                                                                                                                                                                           |
|-----------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Waste from Residues/Unused Products</b>                      | Aerosol cans, when disposed as waste, may be managed as RCRA Universal Wastes as of February 2020. If not disposed as Universal Waste, aerosols are regulated as D003 reactive hazardous waste in some States because of their potential to explode when heated. Check with your State environmental agency for guidance. |
| <b>Contaminated packaging</b>                                   | Pressurized container: Do not pierce or burn, even after use.                                                                                                                                                                                                                                                             |
| <b>California Hazardous Waste Codes (non-household setting)</b> | 331                                                                                                                                                                                                                                                                                                                       |

## 14. TRANSPORT INFORMATION

### DOT

## 15. REGULATORY INFORMATION

**US Federal Regulations****SARA 313**

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372

**CERCLA**

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material.

**Clean Air Act, Section 112 Hazardous Air Pollutants (HAPS) (see 40 CFR 61)**

This product does not contain any substances regulated as hazardous air pollutants (HAPS) under Section 112 of the Clean Air Act Amendments of 1990.

**CWA (Clean Water Act)**

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42).

**US State Regulations**

| Chemical name | CAS No. | New Jersey |
